Sponsorship in honor or memory of:

Jazz has had a hard life and has suffered many losses. Because of this he is particularly drawn to sad people and they are drawn to him. He will rest his big head on a hurting person's body and is an excellent horse to share grief and pain with. Participants build empathy and compassion when working with him.

He is a harder keeper and requires extra calories to maintain a healthy weight and body condition. The costs listed include all of his care including hay, grains, medications, vaccinations, veterinary, and farrier.
